United States District Court
for the District of Maryland
United States Courthouse

Re: Pure Water Committee of Western Maryland, Inc., et al. v.
Mayor & City Council of Cumberland, Maryland, et al.
Case No. JFM 01 CV 2611

Dear Judge Motz:

The counsel for the Plaintiffs and Defendants in the above-referenced case request that the Scheduling Order entered by the Court in this matter be amended. There are numerous Plaintiffs and discovery from the Plaintiffs has taken longer than anticipated. The parties have met in an effort to resolve certain discovery disputes and we believe we have reached a resolution of the disputes.

The Plaintiffs and Defendants respectfully request that the Court's Scheduling Order be amended to, in essence, push back the deadlines established in the Scheduling Order by sixty (60) days. Accordingly, the new scheduling being requested would be as follows:

April 15, 2002	Discovery deadlines
May 15, 2002	Motions for Defendants' Summary Judgment
June 12, 2002	Deadline for Plaintiffs' opposition and any cross-motions for summary judgment
July 3, 2002	Deadline for Defendants' Reply (and opposition if Plaintiffs file cross-motion)
July 24, 2002	Deadline for Plaintiffs' reply (if they file cross-motion)

Approved
12/1/02
